WEATHER OF CONCERN

Weather of Concern

- A slight chance of thunderstorms will exist over Humboldt and Del Norte Counties.
 - This will be the first rain of the season, which means roads will be slick due to oil buildup from cars over the summer.
- Red Flag Warning remains in effect this morning for Northwestern Siskiyou County.
 - A combination of strong winds, low relative humidity and warm temperatures will create extreme fire growth potential.

WEATHER SYNOPSIS BY REGION

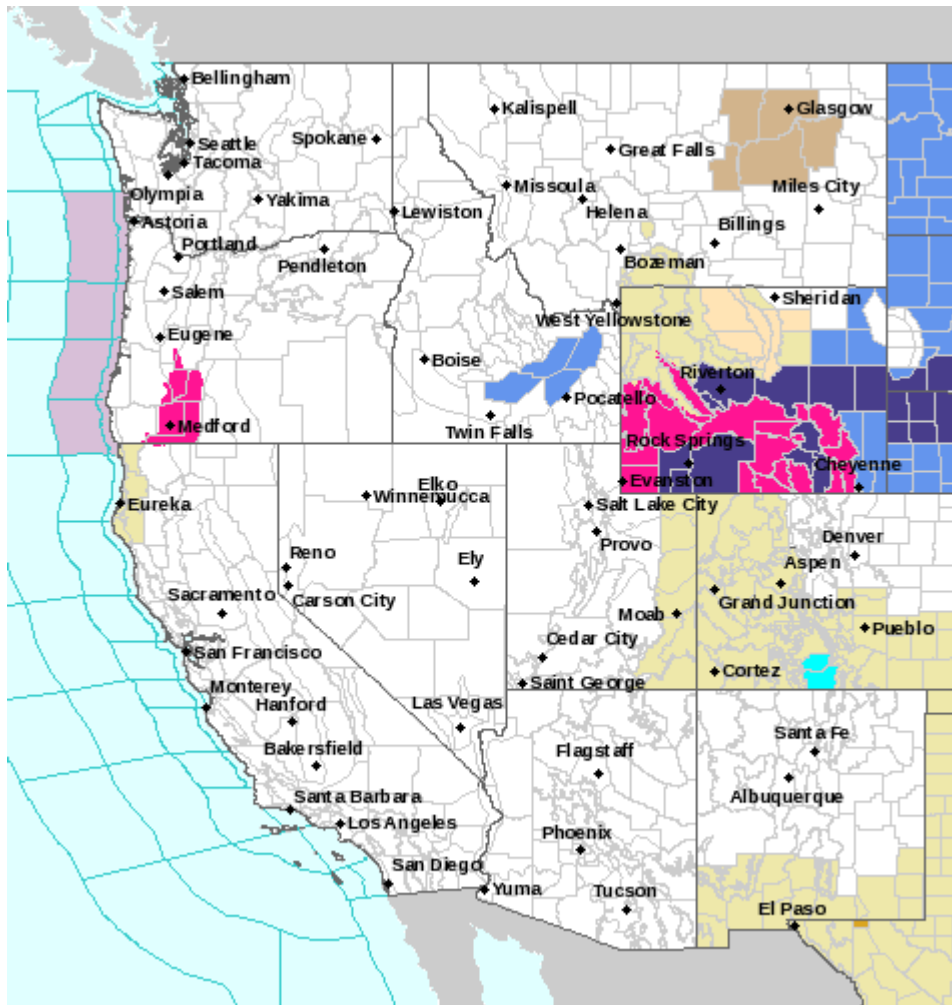

NORTHERN CALIFORNIA

- Very dry and warm airmass most areas, including large portions of the North Coast, through midweek
- High pressure over Northern California this week, then Pacific low approaches coast Friday and passes through the region this weekend, more troughing early next week
- Much lighter winds today, then winds becoming southerly/increasing Friday
- Very dry airmass this week, very poor to poor overnight relative humidity (RH) recovery (<20%) not unusual across the region, some RH increase this weekend into early next week
- No precipitation through Friday, some light rain possible NW corner of state Saturday/Sunday, possibly eastern mountains Monday
- Afternoon high temperatures above normal through the end of the week, Wednesday warmest with 95-100 warmest inland areas that day

SOUTHERN CALIFORNIA

- High pressure will bring sunnier and warmer weather through Thursday, but another trough will generate cooler weather this weekend.
- Much warmer weather will develop through midweek. Most valleys will reach highs in the 95-100 degree range today and Thursday.
- Light offshore winds of 10-15 mph will be possible this morning, mainly from Los Angeles County southward.
- Minimum humidity will drop into the single digits from the valleys to the mountains below 6,000 feet today and Thursday.
- Onshore, southwest winds of 20-30 mph with gusts approaching 50 mph will be possible in and near the desert Friday into the weekend.
- Below normal temperatures expected both Saturday and Sunday with widespread marine layer stratus developing.
